

# What's in the box?

## No thanks X

Cotton wool and  
make up pads

Bubble wrap

Wallpaper

Plastic packaging

Blister packs

Nappies and  
sanitary products

Plastic egg boxes

Wet wipes

Polystyrene

Plastic bags

Tissues and  
used paper towels

## What happens to your paper and card?

Your paper and card is sorted and graded at a facility in Greater Manchester. It is then baled and transported to a number of reprocessors for recycling back into new products, such as books or magazines.

Putting the wrong things in your green paper and card bin lowers the quality and value of the recycling. This can cause a lorry load of paper and card to be rejected and not recycled, which costs Bury council money.

### Not sure if you can recycle your wrapping paper, ribbon and bows?

Not all wrapping paper is actually paper. Some of it is made of plastic. How do you check? Try to scrunch it into a ball. If it stays scrunched, it can be recycled.

Ribbons, bows and anything with glitter can't be recycled, so put them in your general waste bin. This is because they are made of plastic and will affect the recycling process.

### Got extra Christmas waste?

Your local Recycling Centre is open everyday from 8am to 6pm, except on Christmas Day and New Year's Day.

Don't forget to sort your recycling before you visit.

### Your local Recycling Centres are:

Every Street Recycling Centre	Cemetery Road Recycling Centre
Every Street	Cemetery Road
Bury	Radcliffe
BL9 5BE	M26 4FT
