Charitable Donations

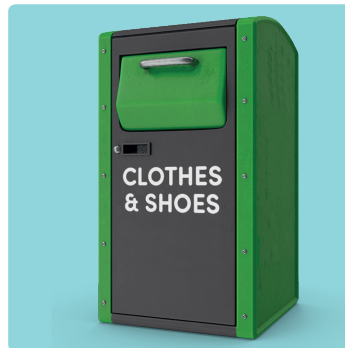

Your local charity shop

Your local charity shop is the ideal place to donate any unwanted items. Most shops will accept clothes, toys, electricals, small furniture and general bric-a-brac.

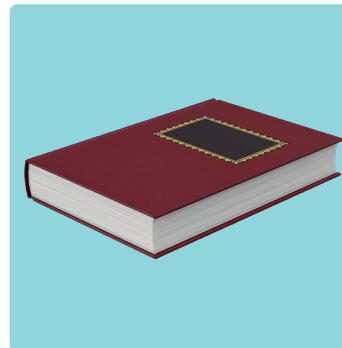

Unwanted furniture?

By donating or buying second hand furniture you can help raise funds for charities and local reuse organisations. Many of these organisations will pick up your items.

Time for a new wardrobe?

You can donate any unwanted, torn or worn **clothes and shoes** within clothes banks.

It doesn't have to be 'The End'.

Donate your **books** in the media banks at any Recycling Centre.

Got a shiny new phone?

Most charities accept old mobile phones, whether they are working or not. They can raise valuable funds by passing them on to recycling companies.
